Member of a cluster org. with a published profile	✓	✓	✓	✓
Member of a cluster org. with a non-published profile	✓	✗	✓	✓

Where to find the “Partner Search” on the ECCP Platform?

In the main menu:

www.clustercollaboration.eu

! If you want to **INITIATE a Partner Search** (or POST your offer/demand), **FIRST** you have to be registered (logged in) and be a “**member**” of a **published cluster profile**.

If you are not yet a member of any cluster profile, please **either register a profile** for your cluster organisation **or ask your colleague** who administrates the profile to add you as a **cluster profile member**.

How to add members to a cluster profile?

1. Got to your cluster profile page
2. Click on Add your colleague

The screenshot shows the user interface of the European Cluster Collaboration Platform. At the top, there is a navigation bar with the platform logo and links for 'Log out', 'My Cluster Profiles', and 'My Personal Account'. Below this is a search bar and a main navigation menu with categories like 'HOME', 'CLUSTER ORGANISATIONS', 'EU CLUSTER PARTNERSHIPS', 'MATCHMAKING EVENTS', 'INTERNATIONAL COOPERATION', 'PARTNER SEARCH', and 'TOOLS'. The main content area is titled 'Demonstration Cluster' and features a series of colored buttons: 'View draft', 'Events', 'News & Documents', 'Administrators', 'Edit draft', 'Moderate', 'Manage Content', and 'Devel'. Below these buttons, there are tabs for 'General', 'Sectors', 'Composition', 'Strategy', 'Services', 'Activities', 'Programmes', and 'Promotion'. The 'General' tab is selected, showing 'General Information'. A red box highlights the 'ADD YOUR COLLEAGUE' section, which contains an 'Add administrator' button. Below this, there is a 'MY CLUSTER PROFILES' section with a 'Create Cluster Profile' button.

3. Enter the email address of your colleague in the field “Registered email address”. Please note that this email address **has to be registered in the ECCP already** (the respective colleague must have his/her own ECCP personal account).
4. Click on Add and the system should give you a feedback message on the success of the procedure.

Create Partner Search Request

1 Tour

 This tool supports partnering and partner search among clusters organisations and their services. You can enter in discussion with potential partners to match your expertise and your interest. Only **registered cluster organisations** and their colleagues from the cluster management team as cluster profile administrators can post a new request. [Login](#) or [register](#) as a user and contact your cluster manager from [this list](#) to get access.

Before creating your Partner Search Request, we recommend that you follow the TUTORIAL (Click on “? Tour” (1))

Fields that are part of a Partner search request (**bold** means information is required):

- **Title**
- **Topic of collaboration** select one option of:
 - Expertise
 - Joint meeting / Event
 - Open calls
 - Study visits
 - Training
 - Other
- Open Call: select an option from the open calls that are referenced in the ECCP at <http://www.clustercollaboration.eu/open-calls>
- Other Open Call: if the user wishes to address an open call that is not referenced in the ECCP, he can do so by specifying the name of the call in this field.
- Target Country
- **Cluster profile** that is initiating the request
- Sectoral and industrial targets:
 - Sectoral Industries
 - Technology fields
 - S3 EU Priority Areas

www.clustercollaboration.eu

- **Description:** text to describe what is searched or offered
- Other associated partner(s): select options from published cluster profiles and ESCP-4i profiles
- **Attachement :** upload a file document, pdf, etc.
- **Deadline:** date after which the partner search will be unpublished
- **Restricted visibility:** make the partner search request visible to all users or only users who belong to a cluster organisation profile

Reply to partner search request

If the partner search is open to everyone, anyone with a filled user account (logged in) can reply to it.

If the user is not a member of any published cluster profile, then his organisation name from his user profile will be displayed, as well as the website URL if provided.

Replies are only visible for logged in users

If the user is member of one or more published cluster profile(s), he/she will have the option to select the cluster profile he/she wishes to include in the reply:

Replay for Partner Search - TECOS (SI)

Submitted by Vesna Žepič on Tue, 31/05/2016 - 13:06

TECOS (<http://www.tecos.si/en/>) - Industrial Association of Slovenian Toolmakers today counts close to 70 members (mainly SMEs and large companies). Covering a broad portfolio of services for the manufacturing industry and vast experiences on EU funded projects ranks us in the front-running candidates in the development process...[Show More](#)

AEI TÈXTILS (new)

Submitted by [adetrell](#) on Tue, 10/01/2017 - 07:04

AEI TÈXTILS, the technical textiles cluster in Catalonia, is interested in joining this initiative. Our strategic plan is in line with the strategic thematic priorities defined in the initiative. We have experience in international cross-regional projects. We have participated at Textile2020 project.

Title: [Smart Grids in S3](#)

Dear Coordinator,

Please consider our interest in the Partnership you are organizing on Smart Grids. This theme is aligned with our current and future priorities.

Sincerely,

The EnergyIN Team
