What is it?

Impact Connected Car aims at creating value link-chains for innovation in the Connected Car Open Space, with vehicle, infrastructure and device and TelCo interactions and consumer and business services through one acceleration and smartization programme (e.g. link with corporates, Regions and clusters).

Who is involved?

Powerful team of 17 partners across EU Connected Car value chain
For ALL stakeholders (not only SME/startups nor only partners)

- For **LARGE CORPORATIONS** and **INVESTORS**: Curated Deal-flow generation through Value links-generation
- For **CLUSTERS**: Cross-border and Cross-sectorial matchmaking through one Open Space
- For **REGIONS** and **DIGITAL INNOVATION HUBS**: Entrepreneurial Discovery of C-CAR emerging value chains through a Disruptors Discovery Tool

What do we want to achieve? How?

- **Community** of 4.000 members (corporates, investors, clusters, regions, SMEs, startups) to facilitate cross-border and value-chain collaboration
- **Attract 70 disruptors**: 4 use-cases (partners), 6 super-stars awarded, 60 SME granted.
- Mobilize **extra 2,4Million €** in public and private funds

What about open calls? (Financial support to SMEs/startups)

- 2,1 Million € in **EQUITY FREE** for SMEs and startups
- Up to 60k € in **GRANTS** / beneficiary (60 disruptive SMEs / startups)
- Up to 50K € in **AWARDS** / beneficiary (6 super-stars SMEs / startups)

Is it for me?

- **SME status**, in Europe or H2020 associated country
- **TRL7-TRL9** and responding to #ICCar challenges (stay tuned to open call)
- **Complete acceleration / coaching programme** in business, technical, corporate and funding.

Open call to be open in September 2017. Stay tuned! JOIN US!
