PARTICIPANTS BOOKLET

REGISTRATION

ECCP

Registration for onsite attendance is open. Registration is open until the 7th of November, until midnight. Please follow the [link](#).

The event is free of charge.

EVENT INFORMATION

The event will occur **at Business Club Düsseldorf/Wirtschaftsclub Düsseldorf on the 8th of November 2023**. A site visit to **ThyssenKrupp Steel Europe in Duisburg** is planned for the 9th of November. Information on the transport to Duisburg will be published shortly. The need for transportation to the site visit can be indicated in the registration process.

The current agenda of the event is available [here](#).

TRAVEL INFORMATION

You can reach Düsseldorf from any location in Europe easily. If travelling by plane, you could fly to the Düsseldorf Airport. From Düsseldorf Airport you can take a regional train to the Düsseldorf Central Station from where you can take a tube to the venue or walk (1.1 kilometer).

There are numerous trains from the airport to the central station (RE1, RE2, RE5, RE6, S1), which leave every few minutes and take 5-10 minutes. The price of the ticket is 3.10 EUR. More information on how to get from the airport to the city center is provided [here](#).

TRANSPORT IN Düsseldorf

There is good transportation in Düsseldorf. You can travel by tube that is well marked or by bus or tram. Several ticket prices are depending on the length of the trip.

VENUE INFORMATION

When and where is the event taking place?

Business Club Düsseldorf/Wirtschaftsclub Düsseldorf

Venue Address:

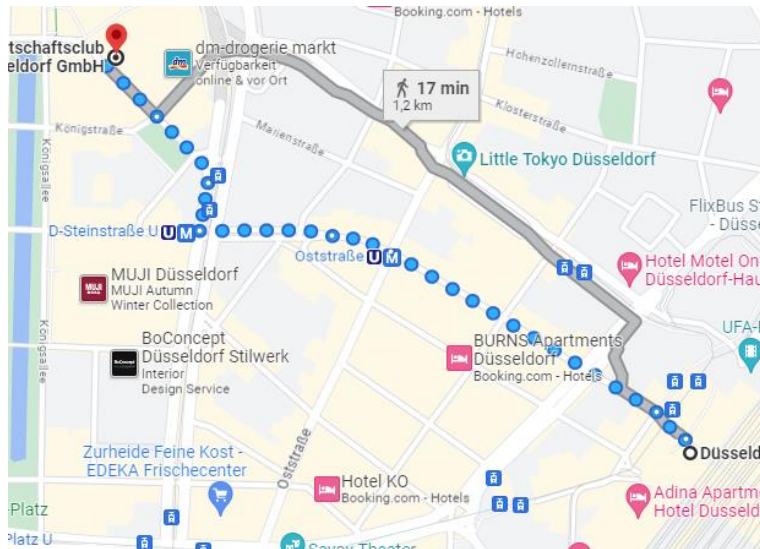

Blumenstraße 14, 40212 Düsseldorf

[Map of the venue](#)

How to get here:

If taking the tube, you take the tube from the Düsseldorf central railway station to the station. Take the U79, towards Duisburg Meiderich Bf until the Station D-Heinrich-Heine-Allee U you can also take the U75, 76, 78 to the same station. It takes approximately 4 min.

Parking area:

The Business Club Düsseldorf does not have a parking area but within one minute walking distance is the Schadow Arkaden located which is a mall with an underground garage.

DAY 2 ACTIVITY

On the second day, a guided tour at the Thyssenkrupp Steel Europe is taking place. The focus will be on: decarbonising of steel production processes and acceleration of the uptake of renewable hydrogen plus the role of clusters in the transformation. Information on the transport will be published shortly. The need for transportation to the site visit can be indicated in the registration process.

ACCOMMODATION

Düsseldorf can offer various number hotels depending on the location you prefer. We picked a few hotels that we can recommend; some are close to the Düsseldorf Business Club, where the event takes place.
