Collaboration in numbers

15 Singaprean companies participating as speakers in webinars

2 Online events where ESG was speaker

+ collaboration in the EU mission agenda

Testimonial from ESG

Tracy Saw

Senior Development
Partner,
FoodInnovate &
Sustainability

Enterprise Singapore is part of a larger family that looks at growing Singapore's economy

Ministry of Sustainability
and the Environment
— SINGAPORE —

Grow inward investment and overall development of the enterprise ecosystem in Singapore

Grow stronger Singapore enterprises by building capabilities, strengthening innovation and accessing global opportunities

Facilitated through: **36** Enterprise Singapore Overseas Centres

Foster world-class scientific research and nurture scientific talent to develop a vibrant knowledge based Singapore

Oversee food safety policies and regulations across the entire food supply chain; drive Singapore's 30 x 30 plan

Learn from both EU-SG Agrifood Ecosystems and find the necessary resources to support your growth journey

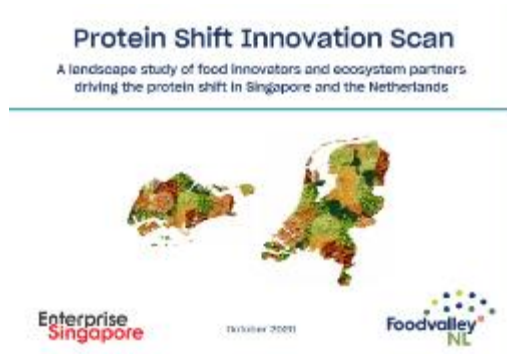

JOINT WEBINARS

Collaboration with Global Foodture on Masterclasses on common interest areas and identifying collaborations btw EU-SG

KNOWLEDGE SCANS

Knowledge Scans with FoodValleyNL to discuss developments in Alternative Proteins

STARTUP GUIDES

Good Food Startup Manual lays out the steps involved in starting a plant-based or cultivated meat company – from securing funding and developing your product to expanding distribution.

Today' seeds can be tomorrow's fruitful collaborations
