The Automotive Cluster of Aragón **CAAR** is the benchmark body for the automotive sector in the Regional Community of Aragón (Spain).

It comprises industries dedicated to the manufacturing of components for the automotive sector, as well as other companies directly related with the automotive value chain.

With an aggregate turnover of over 2.35 billion euros and nearly 10,000 employees, **CAAR** encompasses 75 partners: 68 companies from the automotive industry and 7 related regional bodies.

Its Mission
Increase the competitiveness of its partners and in general, of the automotive industry in Aragón.

Its Vision
CAAR aims to become one of the automotive cluster leaders in Europe, placing Aragón at the centre of the automotive industry in Southern Europe while providing its partners with the highest possible added value through customized services to meet their specific needs.

Values
Commitment
Responsibility
Excellence
Creativity
Enthusiasm

Cluster de Automoción de Aragón caaragon.com • Pº Isabel La Católica, 2 - 50009 Zaragoza (Spain) • +34 976 306 161
