

Feedback on the events “Water in the factory of the future”:

HYDREOS, in association with France Water Team and Pol.i.tech Gabès (industrial and technological competitiveness cluster, Tunisia), organised B2B meetings on 14 November in Gabès and Tech Days on 15 and 16 November in Djerba, all on the theme of "Water in the factory of the future".

The B2B meetings were the occasion for 3 French companies to meet the Tunisian national society for Water exploitation and distribution SONEDE as well as industrials such as the Tunisian Chemicals Group. First contact which will enable Franco-Tunisian collaboration to intensify.
